

GRETNNA PUBLIC LIBRARY FOUNDATION Volunteer E-newsletter

May 25th, 2025

Thank you for supporting our fundraising campaign. Currently, Gretna has two libraries, the adult library is 4,000 square feet and the children's library is 2,000 square feet. The new Gretna Public Library (in the Gretna Community Complex) will combine both libraries and increase space from 6,000 square feet to over 20,000 square feet. We are raising funds for furniture, fixtures and equipment to outfit the new library. The more money we raise, the more services the Gretna Public Library will be able to provide to the community.
